

**KINGDOM SLOTS**  
*good friends - great times*

# Epilepsy Foundation South Africa

Our General Manager, Prokashvir Soodhoo, the MARCO team and staff visited Epilepsy Foundation South Africa, one of our 2021 CSI recipients. The Epilepsy Foundation of South Africa is a non-profit organisation that does a lot of vital outreach programmes in rural areas where the community might not have access to services. The aim is to create awareness and empowerment by implementing programmes such as the "DHLI KUMI DHLI KUMKUM" project, a garden project to alleviate poverty and encourage households to start their food production units. Many thanks to our partners, Suncy from Pure Lounge and Sica from Blue Island, for their support!

# Kingdomslots in Support of Mandela Day at Saint Giles

In honor of Nelson Mandela Day, the Kingdomslots team visited Saint Giles, a non-profit organization for people with disabilities in Boston. Founded in 1962 by a former journalist, Kerry Matt, who was himself a person living with disabilities, the organization has been providing numerous services for the disabled community. Our General Manager Prokashvir Soodher, MARCO, and the team handed over a cheque that assisted in upgrading the Remedial Therapy Centre (RTC). The RTC offers remedial exercise therapy for disabled persons in the form of light and active resistance exercises. The funds assisted the organization with upgrading the RTC air-conditioning, gym equipment and some maintenance around the centre. Many thanks to the Saint Giles team and staff members who care for the patients.

# Kingdomslots and Wentworth Hotel in Support of Floods Victims at Ntuzuma

Inspired by Chefs with Compassion, Kingdomslots in partnership with Wentworth Hotel made 10 litres of chicken soup and 300 rolls to feed 300 flood victims at Ntuzuma F Hall in honour of Mandela Day. The team was touched by gratitude from people sheltered by the hall, and were grateful for this initiative. Many thanks to everyone that supported and participated in honour of Mandela!

# Humana People to People South Africa (HPPSA)

Our General Manager, Prokashin Ghoshdar, the Muzas team and staff visited Humana People to People South Africa (HPPSA) to hand over the cheque that awarded the students to meet training and boarding costs at Resilife-Rural Experimental College (REC). The aim is to improve the quality of Early Childhood Development (ECD) education in poor communities by providing scholarships that enable it possible to empower unemployed young people, especially young women, with Early Childhood Development teaching skills. Humana People to People South Africa (HPPSA) is a registered South African non-profit organisation founded in 1995 with the mission of empowering the poor to lift themselves out of poverty and contribute to the development of their own communities. The organisation has a comprehensive portfolio of activities in early childhood development through Persephora of the Future; skills and maternal health and hygiene through its Child Aid Programs; HIV and AIDS, sexually transmitted infections, TB, and non-communicable diseases programs through Total Control of the Epidemic and HOPE; smart agriculture and food security programs among the list. HPPSA employs around 500 full-time staff and impacts over 500,000 people a year. The team was funded by the work that HPPSA have done and was touched by the love they received.

## PROTEC

The Kingsmeats team visited Protea STEM Education, our 2022 CSI beneficiary. PROTEC (Programme for Technological Career) is a national, independent, non-profit organisation that provides holistic, high-quality education and career support programme development in the fields of Mathematics, Science and Technology, as well as life skills training. The organisation was established in 1987 by a group of concerned engineers from the South African Institute of Civil Engineers, especially to help high school children in disadvantaged communities prepare for successful careers in Sciences, Technology, Engineering, and Mathematics. PROTEC has designed programmes to assist students to succeed. Our General Manager Prokashvir Govender, the IMCCO team and staff handed over the cheque that assisted the organization in preparing students for success. Many thanks to Mr Singh from Singh's Restaurant and Mr Moodley from Cinescoters for their support. We cannot wait to see the young minds achieve success and put SA on the map.

# Briardene Primary School

Our General Manager, Prochaine Gwendolyn, the MARCO team and staff visited Briardene Primary School for the official opening of the school library. Briardene Primary School was built in 1926 and is now home to more than a thousand learners who originate from the neighbouring townships of Inanda, Kwa Mankwe and Mthatha. All the learners are from previously-disadvantaged backgrounds and were in desperate need of a library to enhance their knowledge and perform better in academics. The team had a lovely time at the school and were amazed by the talent the learners had shown. Many thanks to Mkhosi from Barista Sports Bar, Marshalls World of Sport and World Sports Betting for the support. Briardene Primary School was featured in the Durban North News.

# Nyakana Primary School

Our General Manager, Prokashvir Grewal, the MARCO team and staff visited Nyakana Primary School to deliver a cheque that would assist the school to improve on the infrastructure and ventilation. Nyakana Primary School is situated in Doringskop and currently has over 1000 learners from economically challenged areas such as offshale (offshale), Tsopeta (city), Chlange, Lindani and Sakhembanya. The average number of pupils per classroom is 58 and the school needed industrial fans for all classrooms and to revamp some of the infrastructures. The team was touched by the gratitude from the school and learners. Many thanks to Sachin from The Kitz and Seelan from Industrial One for the support!

## Alipore Primary School

Our MANDI team and staff visited Alipore Primary School to unveil the new ablution facilities for the school. Alipore is a 58-year-old primary school with 600 learners from neighbouring communities such as Bimholi, Lamontville, Isipingo, Amanzimtoti, and Bhowa. The school has earned a strong reputation for teaching English to second-language learners for the last 55 years. Their ageing ablution facility needed infrastructure restoration. Kingstonside provided the school with funding to restore its facilities. The learners were very excited about it and will now enjoy good hygiene at the clean and neat toilets. This was our way of contributing to a positive impact on the education, well-being, and lives of learners. Many thanks to Dilin from River Palace for joining us.

## Triple-P

Our General Manager, Prokashree Gowder, and the Kingsdale team started Triple-P, a people- and planet-focused non-profit enterprise established in 2017 with public benefit organization (PBO) status. The team was there to hand over the change that awaited the Kullayala Simantawati Farming Project. The project united the rural community of Kullumbude with agricultural knowledge and business development, allowing the community to start farming ventures that will serve their neighborhood and generate employment prospects.

## KwaZulu-Natal Women's Coalition

The Kingsdomelets team visited the KwaZulu-Natal Women's Coalition to present funding to assist the organization's projects and programs currently in place. The KwaZulu-Natal Women's Coalition is a non-profit women's organization serving over 50 women's organizations which reach approximately 6000 households in the KZN region. The organization focuses primarily on Gender-Based Violence Intervention Projects, Literacy Programs Women and Youth Development, Capacity Building Projects, and economic recovery programs in KwaZulu-Natal. Many thanks to James from Collegians Sports Club P/B for joining us.
